Memo 1

This policy indemnifies the Insured solely in respect of the commuting activities of commuter members.

For the purpose of this policy commuter members are those members of Cycling Ireland who qualify for and are fully paid up commuter members.

For the purpose of this insurance, E-bikes are deemed suitable equipment for the use by the Insured and its membership. The following interpretation of E-bikes is to be understood : E-bike (Electrically assisted pedal cycle) must have pedals that can be used to propel it, the electric motor should have a maximum power output of 250 watts or less, and the motor should not be able to propel the bike when it is travelling more than 15.5mph. In addition the E-bike must display either the power output or manufacturer of the motor, as well as either the battery voltage or maximum speed of the bike, as defined by the manufacturer.
